

TESTIMONIALS

"The Lord has placed Brian & Jeni Stivale into a position of great favor with their work in Israel. This is uncommon, culturally significant favor. Through their powerful production "The Kingdom" and their labor supporting & developing the Church within Israel, they have begun a new era in this incredibly important epicenter for the Kingdom of God. We believe in this work, and we are fully supporting them as founding members of Gideon's Army. If you are going to sow into Israel, THIS is the soil to put your seed in."

Dr. Dave Martin, America's #1 Christian Success Coach

"We believe in this project and what the Lord is doing through Brian and Jeni Stivale in Israel. That is why we are the FIRST ministry to become a part of Gideon's 300. We stand at their side, knowing that the Book of Acts is STILL OPEN and evident in their ministry. The hearts of Pastors and Leaders across this land are going to turn to this ministry and thus be united with Israel. We are blessed to be a part of this and certain that the lives of countless Israelis will be changed through this work."

Rabbi Brian Bileci, Destiny Church, Indio, CA

"Brian & Jeni have a tremendous role to play in spreading the good news of "The Kingdom" around the world. There are people that they can influence that other people can't. I am very happy to be around such great talent."

Dr. Myles Munroe, Author, Teacher & Mentor of Leaders

"Brian & Jeni Stivale are anointed and God's hand is upon their lives. We are truly thankful for the gift that they are to us, and to the body of Christ."

John Bevere, Author, Teacher & World Shaper

"I was involved in the 2009 and 2010 production of The Kingdom. My experience was much more than I expected. Although I could never reach the full depth of sorrow that His followers then must have felt, I did in fact have a taste of the desperation over watching our Savior's destiny being fulfilled. The tears that ran down my face were real, even through the rehearsals I could not keep them back. I could never experience the intensity that I felt inside of myself in any other story that I may be a part of. The memories will stick to me for the rest of my life and thereafter. I am privileged to have been able to experience doing service in this magnificent event."

Gretchen Bandy, Performer 2009-10 Cast

"Afterward the Israelites will return and seek the Lord their God and David their king. They will come trembling to the Lord and to his blessings in the last days." Hosea 3:5
